

ASSENT STUDY IN DOWN SYNDROME (LEAD-DS)

WHAT ARE THE GOALS OF THIS RESEARCH STUDY?

We are inviting teens and young adults with Down Syndrome and their care givers to participate in a study that seeks to improve the way we explain research studies to individuals with Down syndrome.

WHO CAN PARTICIPATE?

- Candidates that are between 14-30 years of age
- English or Spanish speakers

The study can be completed in person or remotely. Participation will be compensated.

WHAT WILL PARTICIPANTS BE ASKED TO DO?

You will be asked to provide feedback on our study materials. You will also be asked to complete questionnaires and audio-recorded interview.

I WANT TO HELP! WHO DO I CALL?

If you have any questions or would like to join the research study, please contact:
Ahtish Arputhan, 215-490-8905, arputhana@chop.edu
